Mr. Raghunathan –

We have reviewed your Rapides Parish, LA, project application (Rapids One CCS; R06-LA-0005) and have found it to be administratively complete. I have attached a letter of administrative completeness to this email for your reference. As part of the official project record, I will also upload a copy to the GSDT that is redacted with respect to the project location.

We will begin the technical review of the application shortly and be in touch with any questions or requests for additional information. In the meantime, please feel free to reach out if you have any questions or concerns.

Thank you!  
Brandon
